# Leading the Way Since 1970

We are a Total Fire Protection Company. Since 1970, we have been providing sales, installation, service, inspection, testing and engineering services for all types of fire protection systems to all types of organizations – small businesses to Fortune 100 corporations.

With BFPE International,

- there are over 50 years of Fire Protection expertise at your service.
- we are here for you every hour of every day.
- we answer when you call, there are no prompts or voice mail.
- your service requirements are maintained in our custom database.
- we call you to schedule your services, one less worry for you.
- there are more than 800 employees at your service.
- you have peace of mind with our Total Fire Protection Agreement.
- we are your single-source provider.
- you only have to make one call.

## Our Mission Statement

BFPE is made up of people who use their talent, energy, imagination and time to help others have better, more enjoyable and safe lives.

We believe that everyone - customers, suppliers and ourselves - must be treated with respect, concern and compassion. We also believe that the least of our actions can profoundly affect the safety, security and well being of others.

As an organization, we pursue healthy and profitable growth through ethical, innovative, competitive business practices that focus on the highest levels of quality and service to customers.

We strive to be leaders everywhere that we compete, since success follows leadership and provides opportunities for individual and corporate success, advancement and reward.
